

## SEE-Change Previous Partners

SEE-Change partners with a range of different organisations, businesses and individuals to deliver [projects](#) and to provide [discounts for our members](#).

The following list are organisations we have partnered with for previous projects.

---

SEE-Change acknowledges Bank Mecu's support for sustainability through the provision of responsible banking products and their sponsorship of numerous community projects, including our own Festival of Young Ideas. For more information visit [www.bankmecu.com.au](http://www.bankmecu.com.au).

---

CBB the not4profit people is a social enterprise that exists to enhance the capacity and sustainability of the Not for Profit sector. They do this by providing expert consulting and salary packaging solutions to Australian Not for Profits, and channelling their surplus profits back into the sector through their Community Development Program. They are proud to support the valuable work of SEE-Change in the [Curtain Retrofit Pilot Project](#). For more information visit [www.cbb.com.au](http://www.cbb.com.au) and [YouTube channel](#).

# SEE-CHANGE

COMMUNITIES CREATING A SUSTAINABLE CANBERRA

An Australian Government Initiative

Inspiring Australia is an initiative from the [Inspiring Australia strategy](#), which was developed by the Australian Government to increase engagement and interest in the sciences. The Inspiring Australia program also included the Unlocking Australia's Potential grants, awarded in 2012, as well as National Science Week and the Prime Minister's Prizes for Science. SEE-Change acknowledges Inspiring Australia's support for the [Zero Carbon Canberra project](#). For more information visit [inspiringaustralia.net.au](http://inspiringaustralia.net.au).
